11/26/17: Toxic People

Matthew 21:18

What are toxic people?

- Never apologize
- Be there in crisis but never in your joys
- Bring irrelevant details in a conversation
- Deflect and always tie something negative
- Fake
- Exaggerate
- Manipulate
- Make withdrawals but never make deposits
- Clouds without water

4 things about toxic people

1. People who are not happy with themselves they cannot be happy with you.
2. When toxic people can no longer control you, they will try to control how others see you.
3. Toxic people Will not be changed by the alchemy of your kindness. Yes, be kind to toxic people but move on swiftly and let life be their educator
4. Toxic people project their own character flaws on other people. They do it by accusing others of the exact actions they deny
